**UPDATES TO THE MEASURES TO PREVENT THE WIDESPREAD OF 'COVID-19'  
BY THE MINISTRY OF HEALTH, BRUNEI DARUSSALAM  
"ADVICE FOR THE SELF-ISOLATION AND DAY 5 PCR SWAB"**

This notice is to provide a reminder for personnel dealing with foreign vessels to ensure that they must always practice personal and respiratory hygiene measure including wearing mask, gloves and disposable aprons and to ensure that physical distance of at least 1 meter should always be maintained when dealing with foreign crew. Hand washing facility or alcohol based hand sanitizer should also be readily available. Critical personnel who are required to be working onboard foreign vessels overnight should remain in a separate facility and avoid entering common spaces such as shared living quarters, toilets and kitchen.

If there is a suspected case of intentional or unintentional exposure between the local and foreign crew of unknown COVID-19 status without adequate personal protective equipment and where physical distancing measures cannot be maintained while on board, the local crew will be subjected to **self-isolation and COVID-19 swab** test upon his return. This will be assessed on a case-to-case basis by the Ministry of Health. Marine or shore personnel who develop fever or other respiratory symptoms should also seek medical evaluation at their nearby health centers.

For any further enquiry, please contact port health officer on duty or to call 2381640 extension 7806 (Port Health office) during office hours.
